JD expected 2026

Colorado College, Political Science

2016—2020

Selected Professional Experience (ordered by relevance)

Legal Assistant, Tom Groth Law PLLC (Shelton, CT)

August 2024—June 2025

- Supported over 30 successful real estate transactions from new-client intake to closing by drafting documents, coordinating timelines with clients and the other party's legal representation, ordering and reviewing title searches, and calculating disbursements.
- Drafted home sale contracts, offer letters, representation agreements, rental agreements, warranty deeds, quit claim deeds, and other documents required in real estate transactions.
- Coordinated office communication and scheduling, including conducting new-client intake, organizing signings, and generally working efficiently with real estate agents, lawyers, other professionals, and clients under strict deadlines.
- Maintained office filing system and individual transaction files in an organized fashion from file creation to archival.
- Calculated transaction disbursements for home purchases/sales and cut checks under attorney review.

Lead Copywriter, Leaf VIP (Denver, CO)

January 2022—May 2023

- Wrote the scripts and assisted in the production of 80 unique marketing videos in fast-paced startup environment. Increased script production by 300% within 3 months of assuming role.
- Led marketing pitches in C-level client meetings and worked with clients to produce scripts, voiceovers, videos, survey questions and data.
- Created user surveys to measure video performance and popularity; videos received over 95% positive reviews from users.
- Hired and managed freelance writers and voiceover talent; developed and tracked key performance indicators for the creative team.

Intern Budget/Tax Analyst, Colorado Office of State Planning & Budgeting (Denver, CO)

January—June 2021

- Designed and produced a series of reports on financial and political history of government programs receiving cannabis tax revenue funds, on behalf of the Governor's Special Advisor on Cannabis and a Senior Budget Analyst.
- Created visual data for distribution to legislators and the public alike on topics ranging from consumer spending during the pandemic to comparing different National Institute of Health research grants.

Newsletter Writer and Editor, Bengal Capital (Denver, CO)

June—August 2021

- Edited *The Bengal Bite*, a monthly newsletter distributed to shareholders,
- Researched and wrote "What did Cannabis do for Colorado Anyway?" published in *The Bengal Bite*, July 2021. Objective was to explain Colorado's retail and medical cannabis tax systems and make the argument that now, with rapidly expanding legalization and states looking for models to follow, Colorado's success is worth study and emulation.
